We suggest trying to contact the manufacturer for the original box it came in.

One customer didn't have original boxes, so he made his own. Check out his pictures

First I got ready. Blanket on floor, tape, bubblewrap, scissors, PP banding etc

Placed TV on the blanket

Oops, skipped a step. W

air cap.

Wrapped blanket around and taped.

Next placed on corrugated cardboard.

Wrapped around & taped

eckernettabyeinalsile items - 2 or 3 layers is best.

Finally affixed PP bands, fragile stickers, this way up arrows and shipping mark.
